From novelist and screenwriter Roddy Doyle come these two colorful plays. both set in the North Dublin suburb of Barrytown. In *Brownbread*, three young men kidnap a bishop but soon come to realize--when the U.S. Marines invade--that their brilliant adventure is nothing more than a colossal mistake. *War* is set at the Hiker's Rest, a pub where two trivia addicts meet every month to answer questions posed by Denis the quizmaster who hates wrong answers and shoots to kill. These earthy, exuberant works show why *The New York Times Book Review* says Doyle's "versatility and brio...may shock the neighbors, but...you can't take your eyes off him."
